Greetings
Salutations

Dear Friends and Family of ECB-CBS,

Congratulations on the completion of the 2022-2023 school year! Everyday throughout the year, we achieved little successes, from adding single digits in Pre-Kindergarten all the way to analyzing literary forms in grade 12, it has truly been a pleasure to be part of the teaching and learning at ECB-CBS.

We know that schooling is not just about reading and arithmetic. Initiatives outside of the classroom, such as the formation of the school's first varsity soccer team, the Talent Show, and the Spelling Bee just to name a few, were great opportunities for kids to shine outside of the classroom.

We finished the year in style at this year's Gala and I could not have been prouder of our students for getting up on stage and performing in front of over 200 people! I know first hand how it is to get out of one's comfort zone but our students came together as one school family to put on one of the best Gala performances yet.

To the teachers and staff, thank you for your efforts in teaching the whole child. I believe we succeeded in meeting the needs of every child instructionally, socially, and emotionally.

To the students, I hope you will remember all of the good times with friends, the new people you met, our diverse cultures and an all-around year of learning and developing new skills and concepts. Please know that it has been a great pleasure to be part of your development each and every day.

For our departing and graduating students, know that ECB-CBS is always a place you can call home.

Have a wonderful summer to all!

Sincerely,

Chers parents et amis de l'ECB-CBS,

Félicitations pour l'achèvement de l'année scolaire 2022-2023 ! Chaque jour, tout au long de l'année, nous avons obtenu de petits succès, depuis l'addition de chiffres en maternelle jusqu'à l'analyse des formes littéraires de Truman Capote en terminale.

Nous savons que l'école ne se limite pas à la lecture et à l'arithmétique. Des initiatives en dehors de la salle de classe, telles que la formation de la première équipe de football de l'école, le Talent Show et le Spelling Bee, pour n'en citer que quelques-unes, ont été autant d'occasions pour les enfants de briller en dehors de la salle de classe.

Nous avons terminé l'année en beauté lors du gala de cette année et je ne saurais être plus fière de nos élèves qui sont montés sur scène et se sont produits devant plus de 200 personnes ! Je sais par expérience combien il est difficile de sortir de sa zone de confort, mais nos élèves se sont unis comme une seule famille scolaire pour organiser l'un des meilleurs galas de l'année.

Aux enseignants et au personnel, je vous remercie de vos efforts pour enseigner à l'enfant dans sa globalité. Je crois que nous avons réussi à répondre aux besoins de chaque enfant sur le plan pédagogique, social et émotionnel.

Aux élèves, j'espère que vous vous souviendrez de tous les bons moments passés avec vos amis, des nouvelles personnes que vous avez rencontrées, de nos diverses cultures et, d'une manière générale, de votre année d'apprentissage et de développement de nouvelles compétences et de nouveaux concepts. Sachez que ce fut un grand plaisir de participer à votre développement chaque jour.

Pour nos étudiants qui partent et ceux qui terminent leurs études, sachez que l'ECB-CBS est toujours un endroit que vous pouvez considérer comme votre maison.

Nous vous souhaitons à tous un été merveilleux!

Sincèrement,

Ms. Michelle Pizarro

Gala 2023

On the last day of school, June 30th, the ECB-CBS hosted our End of Year Gala at the Mairie 16e. Parents, students and their families, as well as members of the Canadian community in Paris enjoyed an evening of class presentations, memories, and our 2023 Graduation Ceremony. Please click on the link to view some photos of this special event.

Le dernier jour d'école, le 30 juin, nous avons eu l'occasion de célébrer la graduation de nos élèves de 12e année de même que notre Gala de fin d'année à le Mairie 16éme. Cet événement a permis à nos familles d'assister aux présentations préparées par nos élèves. Rétrospective en image...
