GRADE

As a participant in the Canadian Bilingual School high performance program, I understand that:

1. My acceptance into the high performance program is for one year only and will be reviewed each term;
2. I am expected to maintain a “B” average, with no failing marks or unsatisfactory behaviour or work habits, in all my academic courses while in the high performance program;
3. I must continue to devote at least 25 hours per week to my training and my development;
4. If my training program should change due to injury or circumstances beyond my control and I am unable to fulfill this requirement, I will notify the School and my coach/trainer;
5. I will submit a copy of my training schedule and information about my competitions/performances to my teachers;
6. The Canadian Bilingual School of Paris will offer me a timetable that accommodates my training and competition/performance schedule, and my teachers will offer some flexibility with dates and deadlines for work I will miss while away from school;
7. I understand that inclusion into the high performance program is not an excuse not to do my homework;
8. I will inform all of my teachers of when I will be absent due to competitions, performances and tournaments;
9. The high performance program directors, coaches/trainers, and school counselors are available to consult with me if I have any concerns about the high performance program, or my academic program at the Canadian Bilingual School of Paris.
